

EXPERIENCE A LIFE-CHANGING SPRING

IN SILICON VALLEY & SAN FRANCISCO

February 6 - 16, 2019

Exploring Social Innovation

VIAPROGRAMS.ORG/ESI

Program Overview

- Explore social innovation in diverse communities in Silicon Valley
- Gain hands-on experience with innovation tools
- Enhance your cross-cultural communication skills
- Join a community of passionate global changemakers from the US and Asia

"ESI is a wonderful program not only because I saw the frontier of social entrepreneurship, but I also met such powerful and mindful people in the Bay Area and made friends as well. We have continued to collaborate even after the program, and it really helped me to create changes and impact my home country." - Eri Shimomukai, former ESI participant and coordinator
