

SOCIAL INNOVATION EDUCATOR EXCHANGE

viaprograms.org/educator-exchange

February 10-15, 2020

San Francisco & Silicon Valley

PROGRAM OVERVIEW

This professional exchange brings together educators focusing on social innovation to share ideas with each other as well as thought-leaders and professionals in Silicon Valley. The program will include joint sessions with VIA's Exploring Social Innovation (ESI) program cohort of university students from across Asia, visits to local universities such as Stanford and Berkeley and roundtable discussions with local university faculty.

Examine social innovation education from a global perspective

Network with other social innovation educators

Exchange professional insights across cultures

Explore new ideas to strengthen social innovation curricula

Collaborate to grow the next generation of social innovators
