Moh Aung

"Education: The Game Changer of the Community"

Sone See Yar Academy is an educational platform that allows Myanmar's students to access low-cost continuing education, as well as provides technical support for teachers who want to start hosting their own online classes. Sone See Yar is working to shift how education is delivered in Myanmar.

Concurrent Session Block #2

JUNE 11 @ 7:45-8:30 PM US PACIFIC TIME

"Ending Discrimination Among Myanmar's Diverse Ethnicities"

We Are One is dedicated to fighting discrimination and encouraging people to adopt the mindset that we are all humans living in the same country, through the use of comics, podcasts, discussions and civic training.

Thuta Zin

Htoo Nandar

"Starting a Special Education System in Myanmar"

Thit Eain Education aims to foster an inclusive education system in Myanmar and raise awareness among educators and the public about new and creative ways to support learners with special needs.

Hay Mar

"Re-Create: Creative Campaigns for Social Good"

VIA Indonesia's Re-create project invites youth across Indonesia to take a closer look and interact with their communities by using media and art to promote action on social media. This project will provide a series of professional mentorship to support them to take action.
